**ASHVILLE**  
**FOOTBALL**  
*program*

# DEVELOP *kelly green*

— Develop students and athletes into young men and women capable of work...hard work.

# BUILD *white*

— Build a winning culture that establishes and maintains a system of success.

# WIN *burnt orange*

— Win for the city, win for the history, win for the family, win for the future...

Raising money is a task nobody wants to tackle...but the **Ashville Sports Foundation** pushes the limits in its mission to support Ashville Athletics and Ashville student-athletes. A non-profit, tax-deductible organization, the Ashville Sports Foundation brings parents, boosters, donors, coaches, and students from all athletic programs together to *develop, build, and win* through projects that focus on enhancing the student-athlete experience at Ashville High School.

With the support of donors, partners, alumni, and fans, the Ashville Sports Foundation is on a mission to renovate and expand on the current facilities in use at Ashville High School. A **\$140,000.00** hitting facility was completed in July 2023 after two and half years of fundraising, planning, and construction in partnership with one major, anonymous financial donor, several contractors, and the St. Clair County School System, making huge strides in the ability for Ashville's softball and baseball programs to develop their offensive capabilities in the off-season while on-campus.

By donating to and supporting the Ashville Sports Foundation, the **#AshvilleFamily** is laying the foundation for a stronger future for all Ashville student-athletes, present and future. Scan the code to play your part in the future of Ashville Athletics.

One of the most supportive and dedicated partners with the Ashville Sports Foundation, **Mi Casita Mexican Restaurant** takes care of not only our student-athletes...they make every person that comes through their doors feel like family. Supporting the Mi Casita family supports the **#AshvilleFamily**.

## DID YOU KNOW?

Ashville High School can trace its roots back to **St. Clair College**, founded in **1831** in Ashville, AL, making AHS one of the oldest educational institutions in the state, older than Auburn University and **as old as** the University of Alabama.

# THE foundation

Through the promotion of our student-athletes and fundraising for numerous projects, the **Ashville Sports Foundation** operates to enhance the development of our kids, on and off the field, court, mat, etc.

A 501(c)3 non-profit corporation, the **Ashville Sports Foundation** is independent of Ashville High School and the St. Clair County School System, working with business partners and donors to raise the necessary funds to allow our coaches and student-athletes the resources to develop in a **holistic** and comprehensive manner that reflects who we are as a community and school.

With an executive committee of seven board members, the **ASF** is guided - day-to-day - by members of the Ashville community with the support and advice of numerous trustees representing every varsity sport on campus. With every trustee acting as a **voice** for each sport, the executive committee guides the ASF in the best direction for the overall growth and development of all programs, regardless of size and need.

Whether you're an avid fan, a loyal partner, or directly involved in one of our many athletic programs, **thank you** for making a difference in the lives of our kids and coaches. We're stronger when we're **united** behind our kids and their success, and the **Ashville Sports Foundation** looks forward to leading the charge for Ashville and all who call this amazing place home. **Go Dawgs!**

# THE partnerships

**Dawg Talk** - Presented by Alabama Tractor is an in-depth interview podcast available on all platforms and Ashville All-Access where Ashville legends, coaches, and current student-athletes sit down to talk about their life stories, what makes Ashville special for them, and how they see their stories impacted by the time spent working as an Ashville Bulldog.
